Stan:

I do believe I have your position on smoking in Government facilities with an absolute and unambiguous degree of clarity. I guess I have to be honest and state I really don't disagree with it.

I have rewritten the letter both to Califano and to GSA. I would, however, make one suggestion to you. In lieu of executing now the "Pls execute" you sent me, I think you would be better advised to wait until the proposed regulations now being circularized by GSA for comment are, in fact, issued.
